RE: Response to Questions RFP No. 2021-02 Concrete Pads for MARTA Shelters

**RESPONSE TO QUESTIONS
BID NO. 2021-02
CONCRETE PADS FOR MARTA SHELTERS**

Questions:

Is the Electrical ground wire being done by others or included in the bid?

The electrical is not included in the bid.

Are the receptacles and bench to be included in the bid, or just the concrete pad?

Just the concrete pad is included in the bid.

Is the contractor responsible for installing MARTA shelters on concrete pads, or will the MARTA authority install shelters after the concrete pads are complete?

The Contractor is not responsible for installing the MARTA Shelters on the concrete pads.
