2023 STREET RESURFACING

I. INTRODUCTION

Purpose

The City of Stonecrest, Georgia is seeking competitive bids for ITB 2022-025, 2023 STREET RESURFACING for responsible bidders.

Background

The City of Stonecrest (CITY) is located on the southern portion of DeKalb County and has a current population of approximately 55,000. The city will provide and promote safe, healthy, and enriching recreational and educational opportunities that promote stewardship of Stonecrest's natural and cultural heritage.

Submittal

Bids must be submitted electronically at <https://www.bidnetdirect.com/georgia/cityofstonecrest>

Preparation of Bids

- a. If there is any question whatsoever regarding any portion of the instructions or specifications, it shall be the bidding company's responsibility to seek clarification immediately from the City of Stonecrest Purchasing Department during the question period stated herein.
 - a. <https://www.bidnetdirect.com/georgia/cityofstonecrest>
- b. The apparent silence of the specifications and any supplement specifications as to any details or the omission from it of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type, size and design are to be used. All workmanship is to be of the best quality. All interpretations of specifications shall be made upon the basis of this statement.
- c. No reimbursement will be made by the City for any costs incurred prior to a formal notice to proceed should an award of contract result from this solicitation. The bid must be signed by an official authorized to bind the bidder.
- d. The City of Stonecrest desires delivery of the material or services specified at the earliest possible time after the date of award. An unreasonable delivery may be cause for disqualification of a bid. Each bidder shall state a definite time and avoid using the terms ASAP or approximately so many days.
- e. The City reserves the right to accept or reject any and all responses and to waive technicalities as deemed to be in the best interest of the City. The City reserves the right to request additional information from a respondent(s) as deemed necessary to analyze responses.
- f. Any variation from the specifications must be clearly stated by the bidding company in writing and submitted with the bid.

ITB NO. 2023-001
2023 STREET RESURFACING

Invitation to Bid Process

This solicitation is an Invitation to Bid (ITB). In using this method for solicitation, bids submitted will be evaluated and recommended for award to the lowest, responsive, and responsible Bidder(s).

The City has the right to reject any and all bids, to waive informalities, and to re-advertise.

The judgement of City of Stonecrest Purchasing and Contracting on matters, as stated above, shall be final. The City reserves the right to decide which Bid(s) will be deemed lowest, responsive, and responsible.

ITB NO. 2023-001
2023 STREET RESURFACING

II. BIDDER INFORMATION

1. Category of Award

The following bid shall be awarded to one “responsive” bidder on a unit price basis with a “Not to Exceed” amount. Unit prices and extensions will be verified and total checked. Unit price extension and net total must be shown.

2. Disadvantaged Business Enterprise (DBE) Requirements

The City of Stonecrest does not discriminate on the basis of race, color, sex, or national origin. To that end, **a minimum of five percent (5%) of this construction contract must be performed by a DBE certified firm.** In order to qualify as a DBE firm, said firm must be certified as a DBE Contractor by the Georgia Department of Transportation. Please complete the DBE Participation Form on page 29.

The Contractor is encouraged to make every effort to achieve the minimum 5% DBE participation. However, if the Contractor cannot find sufficient DBE participants to meet this requirement, the City of Stonecrest will consider a bid award with less DBE participation if the Contractor can provide documentation of their good faith efforts.

3. City of Stonecrest Non-Discrimination

The City does not discriminate on the basis of race, age, sex, national origin, religion or disabilities and is an equal opportunity employer. Minority and women-owned businesses are encouraged to apply.

4. Business Enterprises

The City strongly encourages Small Business firms to participate in this ITB.

5. Permits, Taxes, Licenses, Bonds, Ordinances, and Agreements

All Corporations should provide corporate seal, a copy of the Secretary of State’s Certificate of Incorporation, and a listing of the principals of the corporation with the bid.

6. Additional Work

The City shall in no way be held liable for any work performed under this section which has not first been approved in writing by the City in the manner required by applicable law and/or the terms of this Contract. The City may at any time order changes within the scope of the Work without invalidating the Contract upon seven (7) days written notice to the Contractor. The Contractor shall proceed with the performance of any changes in the Work so ordered by the City unless such change entitles the Contractor to a change in Contract Price, and/or Contract Term, in which event the Contractor shall give the City written

ITB NO. 2023-001
2023 STREET RESURFACING

notice thereof within fifteen (15) days after the receipt of the ordered change, and the Contractor shall not execute such changes until it receives an executed Change Order from the City. No extra cost or extension of time shall be allowed unless approved by the City and authorized by execution of a Change Order. The parties' execution of any Change Order constitutes a final settlement of all matters relating to the change in the Work which is the subject of the Change Order. The City shall not be liable for payment for any work performed under this section which has not first been approved in writing by the City in the manner required by applicable law and/or the terms of this Contract.

7. Hold Harmless Agreement

The Offeror shall Hold Harmless and indemnify the City of Stonecrest, its past, future and current City Council, and its past, future, and current employees, agents, volunteers or assignees ("City Indemnitees") from any and all claims, suits, actions, damages, liability and expenses including attorney fees in connection with (a) claims, demands, or lawsuits that, with respect to any products or services provided by Offeror or Offeror's subcontractor, allege product liability, strict product liability, or any variation thereof; (b) any alleged infringement of any copyright, trademark, patent, trade dress, or other intellectual property right with respect to any products, services, or intellectual property or any parts thereof provided by Contractor or any subcontractor; (c) the failure of the Offeror or Offeror's subcontractor to comply with Privacy Laws; (d) the loss, misappropriation or other unauthorized disclosure of data by Offeror or Offeror's subcontractor; (e) any security breach involving data in Offeror's or Offeror's subcontractor's possession, custody or control, or for which Offeror or Offeror's subcontractor accesses or is otherwise responsible; (f) loss of life, bodily or personal injury or property damage, including loss of use thereof, directly or indirectly caused by, resulting from, arising out of, or occurring in connection with the performance of this contract which is the result of the Offeror's action(s) or inaction(s), or which are the result of any subcontractor's action(s) or inaction(s) who is hired or retained by the Offeror; (g) any other claim, demand, or lawsuit arising out of or in any way related to goods or services under this proposal (collectively the "Obligations") and (h) any claim demand or lawsuit alleging breach of fiduciary duty or breach of contract arising out of the services provided under this contract. The Offeror's Obligations shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion of omission from any policy of insurance. In the event the Obligations directly arise from the gross negligence or willful misconduct of a City of Stonecrest Indemnitee, then Offeror's Obligations shall be reduced by the proportional fault of the City of Stonecrest Indemnitee.

8. Bonding and Insurance Requirement

1. A bid bond is required in the amount of five percent (5%) of the total bid. (See Appendix III)
2. The successful bidder shall submit a performance bond payable to the City of Stonecrest in the amount of 100% of the total contract price.
3. The successful bidder must meet the City's insurance requirements as listed below upon award of contract.

V. SCOPE OF WORK

PURPOSE, INTENT AND PROJECT DESCRIPTION

The City of Stonecrest (City), requests that interested parties submit formal sealed bids/proposals for the resurfacing of streets within the city. Street locations can be found on the location map provided in this bid package. The list of roads also provided in the Appendix IV.

All streets are to be milled, patched, resurfaced, and/or re-striped per the following specifications.

GENERAL CONDITIONS

The contractor shall execute the work according to and meet the requirements of the following:

- Georgia Department of Transportation (GDOT) Specifications, Standards, and Details;
- The Contract Documents including but not limited to the scope of work, and specifications;
- City of Stonecrest ordinances and regulations;
- OSHA standards and guidelines
- Any other applicable codes, laws and regulations including but not limited to Section 45-10-20 through 45-10-28 of the Official Code of Georgia Annotated, Title VI of the Civil Rights Act, Drug-Free Workplace Act, and all applicable requirements of the Americans with Disabilities Act of 1990.

The contractor will be responsible for providing all labor, materials, and equipment necessary to perform the work. This is a unit price bid. Payment will be made based on actual work completed.

The contractor is responsible for inspecting the jobsite prior to submitting a bid. No change orders will be issued for differing site conditions.

Materials must come from GDOT approved sources. The contractor will be required to submit in writing a list of proposed sources of materials. When required representative samples will be taken for examination and testing prior to approval. The materials used in the work shall meet all quality requirements of the contract. Materials will not be considered as finally accepted until all tests, including any to be taken from the finished work have been completed and evaluated. Standard Specification 106 – Control of Materials will be used as a guide. All materials will be tested according to the GDOT Sampling, Testing, and Inspection Manual by an approved consultant/lab hired by the City.

The successful bidder must have verifiable experience at construction of similar projects in accordance with these specifications. Bidder shall provide references demonstrating experience completing projects of similar scope.

10% retainage will be withheld from the total amount due the contractor until Final Acceptance of work is issued by the City. The City will inspect the work as it progresses.

PROSECUTION AND PROGRESS

The Contractor will mobilize with sufficient forces such that all construction identified as part

ITB NO. 2023-001
2023 STREET RESURFACING

of this contract shall be substantially completed by March 31, 2023. The contractor will be considered substantially complete when all work required by this contract has been completed (excluding final striping and punch list work).

Upon Notice of Award, the Contractor will be required to submit a Progress Schedule.

Normal workday for this project shall be 8:00AM to 7:00PM and the normal workweek shall be Monday through Friday. The City will consider extended workdays or workweeks upon written request by the Contractor on a case by case basis. No work will be allowed on national holidays (i.e. July 4th, Labor Day, Veterans Day, Thanksgiving, etc.). No lane closures will be allowed on major streets except between the hours of 9:00AM to 4:00PM as noted in the Special Conditions section of this ITB.

The work will require bidder to provide all labor, administrative forces, equipment, materials and other incidental items to complete all required work. The City shall perform a Final Inspection upon substantial completion of the work. The contractor will be allowed to participate in the Final Inspection. All repairs shall be completed by the contractor at his expense prior to issuance of Final Acceptance.

The contractor shall be assessed liquidated damages in the amount of \$200.00 per calendar day for any contract work (excluding punch list and permanent striping) that is not completed by November 30, 2023. Liquidated damages shall be deducted from the 10% retainage held by the City. The contractor will also be assessed liquidated damages for not completing any required Punch List work within 45 calendar days.

The contractor shall provide all material, labor, and equipment necessary to perform the work without delay unto completion.

The standard order of operations for resurfacing shall be as follows:

- a) Milling
- b) Patching
- c) Leveling
- d) Resurfacing
- e) Thermoplastic Striping
- f) Raised Pavement Markers

The contractor shall provide a project progress schedule prior to or at the pre-construction meeting. This schedule should accurately represent the intended work and cannot be vague or broad such as listing every road in the contract.

The contractor shall submit a two-week advance schedule every **Friday by 2:00p.m.**, detailing scheduled activities for the following week.

PERMITS AND LICENSES

The contractor shall procure all permits and licenses, pay all charges, taxes and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work.

ITB NO. 2023-001
2023 STREET RESURFACING

MATERIALS

The City will provide a Construction Engineering & Inspections (CEI) staff to inspect the work and provide materials testing. All materials will meet appropriate GDOT specifications. Materials quality control test types will meet GDOT specifications at a frequency equal to or exceeding that set by those specifications. Contractor will be responsible for replacing any work performed with material from rejected sample lot at no cost to the City.

PUBLIC NOTIFICATION

The contractor shall be responsible for installing notification signs at all entrances to subdivisions that are to be resurfaced. The notifications are to be installed one week prior to commencement of work. Signs shall be installed on temporary metal stakes driven in the ground or on tripods. Signs are to remain in place until contracted work (except punchlist) has been completed and accepted. No separate payment will be made for this work. The City will be responsible for notification to individual property owners.

EXISTING CONDITIONS / DEVIATION OF QUANTITIES

All information given in this ITB concerning quantities, scope of work, existing conditions, etc. is for information purposes only. It is the Contractors responsibility to inspect the project site to verify existing conditions and quantities prior to submitting their bid. This is a Unit Price bid and no payment will be made for additional work without prior written approval from the City. At no time will Contractor proceed with work outside the prescribed scope of services for which additional payment will be requested without the written authorization of the City.

The City reserves the right to add, modify, or delete quantities. The City may also elect to add or eliminate certain work locations at its discretion. The Contractor will not be entitled to any adjustment of unit prices or any other form of additional compensation because of adjustments made to quantities and/or work locations. Contractor will be paid for actual in-place quantities completed and accepted for pay items listed in the Bid Schedule. All other work required by this ITB, plans, specs, standards, etc. but not specifically listed in the Bid Schedule shall be considered “incidental work” and included in the bid prices for items on the Bid Schedule.

TRAFFIC CONTROL

The contractor shall, at all times, conduct the work so as to assure the least possible obstruction of traffic. The safety and convenience of the general public and the residents along the roadway and the protection of persons and property shall be provided for by the contractor as specified in the State of Georgia, Department of Transportation Standard Specifications Sections 104.05, 107.09 and 150.

Traffic whose origin and destination is within the limits of the project shall be provided ingress and egress at all times unless otherwise specified by the City. The ingress and egress includes entrances and exits via driveways at various properties, and access to the intersecting roads and streets. The contractor shall maintain sufficient personnel and equipment (including flaggers and traffic control signing) on the project at all times, particularly during inclement weather, to insure that ingress and egress are safely provided when and where needed.

ITB NO. 2023-001
2023 STREET RESURFACING

Two-way traffic shall be maintained at all times, utilizing pilot vehicles, unless otherwise specified or approved by the City. In the event of an emergency situation, the Contractor shall provide access to emergency vehicles and/or emergency personnel through or around the construction area. Any pavement damaged by such an occurrence will be repaired by the Contractor at no additional cost to the City.

The contractor shall furnish, install and maintain all necessary and required barricades, signs and other traffic control devices (including suitable lighting for night work) in accordance with the MUTCD and DOT specifications, and take all necessary precautions for the protection of the workers and safety of the public.

All existing signs, markers and other traffic control devices removed or damaged during construction operations will be reinstalled or replaced at the contractor's expense. At no time will contractor remove regulatory signing which may cause a hazard to the public. The Contractor shall, within 24 hours place temporary pavement markings (paint or removable tape) to match existing pavement markings. No additional payment will be made for this work.

Pricing for personnel and equipment required for maintaining temporary traffic control, public convenience and safety are to be included in the overall pricing for the project. There is no separate payment item for Traffic Control.

The contractor shall install temporary pavements markings, where applicable, including paint and/or traffic tape to ensure traffic safety until such time that the permanent thermoplastic markings and raised pavement markers can be installed. The cost for the temporary marking shall be included in the specific item for permanent markings.

The contractor shall be responsible for providing and installing signs at the subdivision entrance, as defined in the Special Conditions section of this ITB. The location and applicability of placing these signs shall be determined by the City. The signs shall remain in place until all contract work (excluding punch list) has been completed and accepted.

PROTECTION AND RESTORATION OF PROPERTY AND LANDSCAPE

The contractor shall be responsible for the preservation of all public and private property, crops, fish ponds, trees, monuments, highway signs and markers, fences, grassed and sodded areas, etc. along and adjacent to the highway, road or street, and shall use every precaution necessary to prevent damage or injury thereto, unless the removal, alteration, or destruction of such property is provided for under the contract.

When or where any direct or indirect damage or injury is done to public or private property by or on account of any act, omission, neglect or misconduct in the execution of the work, or in consequence of the non-execution thereof by the contractor, he shall restore, at his/her own expense, such property to a condition similar or equal to that existing before such damage or injury was done, by repairing, rebuilding or otherwise restoring as may be directed, or she/he shall make good such damage or injury in an acceptable manner. The contractor shall correct all disturbed areas before retainage will be released.

ITB NO. 2023-001
2023 STREET RESURFACING

MILLING

Resurfacing shall be constructed so as to tie into existing streets and driveways with the best possible ride and aesthetic result. A milled paving notch, with a minimum 10 feet transition, shall be provided at each end of the overlay and at intersections, driveways, and side streets. Tie-ins shall be marked on the ground and approved by the City prior to paving.

All milled surfaces are to be resurfaced within one week of the milling operation.

All Streets shall be milled 1.5 inches prior to identifying the patching areas.

REPAIR OF EXISTING PAVEMENT

This work shall consist of repairing existing pavement areas that have failed or showing signs of distress. The contractor and CEI inspector shall jointly inspect the roadway and mark all areas to be patched.

Areas marked for patching shall be cut out in a rectangular shape 4 inches below the surface of the existing asphalt pavement, trimmed to vertical sides, and all loose material removed. After the area has been cleaned, it shall be tack coated. The contractor will be allowed to use a milling machine to excavate for patches. The minimum width for the patches will be based on the size of the machine used to excavate but shall not exceed 7' in width.

Asphaltic concrete patching will be paid for at the Contract Unit Price per ton and shall include pavement removal, trimming, cleaning and all other incidental work. The contractor shall replace at his expense all patches, which are determined inadequate after inspection. The City reserves the right to change the depth of patching as needed.

BITUMINOUS TACK COAT

This work shall consist of the placement of bituminous tack. AC-20 or AC-30 shall be used. All surfaces shall be cleaned completely and thoroughly dry before any tack is applied. Tack shall not be applied when the pavement is wet. Bituminous tack coat shall be applied between .04 and .06 gallons per square yard. The cost for this item is to be included in the unit price for asphalt.

ASPHALT CONCRETE PAVING

Topping course shall be 165 LB/SY, 9.5mm Superpave, GP 2 only, including bitum material & H lime. (Corrected Optimum Asphalt Content) as indicated in the bid schedule.

The contract does not include paving of any recreational areas within the subdivisions (i.e. parking lots, asphalt trails, etc.).

The plant mix materials from which the asphaltic pavement is manufactured and the plant at which it is manufactured shall meet the requirements of the State of Georgia Department of Transportation (GDOT), Standard specifications, Articles 820; 802; 883; 831; 828; and 882.

Load tickets that meet Georgia Department of Transportation Specifications must accompany all delivered materials. The Contractor must supply copies of all asphalt tickets to the City.

The contractor is not required to use an MTV (Shuttle Buggy) when placing the 12.5mm asphalt

ITB NO. 2023-001
2023 STREET RESURFACING

material on the main roads in this contract.

ADJUSTING UTILITY STRUCTURES TO GRADE

Contractor(s) shall be responsible for adjusting sewer manholes and water valves within the paving limits. City Engineer, or designee will approve number of locations for each street. A pay item is included in the bid schedule.

THERMOPLASTIC PAVEMENT MARKINGS

This work shall consist of placement of Thermoplastic Pavement Markings. Final (thermoplastic) pavement markings shall be placed at least 15 calendar days but no more than 60 calendar days after placement of final asphalt lift. These final pavement markings shall match the original pavement markings including center lines, lane lines, turn arrows, crosswalks, stop bars, etc. unless specifically directed otherwise by the City. Final pedestrian crosswalk markings shall adhere to the latest standards. Pavement marking materials shall meet GDOT standard specifications and be on the qualified products list. This will consist of a solid line to the beginning of tapers with mini skips through the length of the taper followed by a 5-inch solid line.

Until permanent pavement markings can be installed, temporary pavement markings are required. There is no pay item for temporary pavement markings. This cost shall be included in the pricing for permanent pavement markings.

The final pavement markings also include installation of type 1 and type 3 Raised Pavement Markers according to GDOT Specifications, where required. RPM's shall be spaced every 80' where required (every 40' along sharp curves) and as directed by the CEI. RPM materials shall meet GDOT standard specifications and shall be on the GDOT Qualified Products List.

24 in. white permanent solid stripe is to be installed as a stop bar at each stop sign where previously existed, or as directed.

5 in. permanent double yellow traffic stripe is to be installed at each stop sign of each subdivision entrance approaching main roads for a total centerline length of 50 LF, as directed by the Engineer.

SIGNAL SYSTEM REPAIR

This work shall consist of repair and installation of loop detectors damaged as a result of the pulverizing, milling, and paving operations. When operations damage existing traffic signal loops, the Contractor shall replace the loops not more than 7 calendar days after final asphalt lift is placed.

Contractor shall immediately notify the City Engineer at (770) 865-5645 when loops are damaged. When loop replacements at an intersection are complete the contractor shall again notify the City Engineer.

ITB NO. 2023-001
2023 STREET RESURFACING

Location of replacement loop detectors and lead-in wire, where practical, shall coincide with original location. If, at the splice location a pull box does not exist, a traffic signal pull box (PB-1) conduit and loop lead-in shall be installed per GDOT specifications and as directed by the Traffic Services Manager. Pull boxes installed shall be on the GDOT qualified products list. Testing of the replacement loop detectors shall be performed at the point where the loop wire is spliced to the existing shielded lead-in wire. There shall be no work or testing required beyond this splice point.

CLEANUP

All restoration and clean-up work shall be performed daily. Operations shall be suspended if the contractor fails to accomplish restoration and clean-up within an acceptable period of time. Asphalt and other debris shall be removed from gutters, sidewalks, yards, driveways, etc. Failure to perform clean-up activities may result in suspension of the work. Milling operation shall be followed immediately by clean-up at which the contractor is to provide power brooms, vacuum sweepers, power blowers, or other means to remove loose debris or dust. Do not allow dust control to restrict visibility of passing traffic or to disrupt adjacent property owners. All pavement areas shall be clean and dry prior to placing tack coat, asphaltic concrete or other materials.

SAFETY

Beginning with mobilization and ending with acceptance of work, the contractor shall be responsible for providing a clean and safe work environment at the project site. The contractor shall comply with all OSHA regulations as they pertain to this project.

SPECIAL CONDITIONS

1. All streets on this project are required for traffic control. Subdivision Entrance shall have signs placed three (3) days prior to milling. These signs will be 18" X 24" size with the board material, waterproof. No Electronic signs are required. Text will indicate 2023 SPLOST Paving, City of Stonecrest, and e-mail. Specific Graphics will be provided by the City of Stonecrest to the selected Contractors. Number of signs requires are included in the Bid Table.

CITY OF STONECREST CONTRACT AGREEMENT

PROFESSIONAL SERVICES AGREEMENT

**AGREEMENT BETWEEN THE CITY OF STONECREST AND _____ FOR
INVITATION TO BID NO. 2023-001, 2023 STREET RESURFACING**

This Agreement (the “Agreement”) is made this ___ day of _____, 2023, by and between _____ (hereinafter referred to as “Company”), and the City of Stonecrest, Georgia (“City”).

WITNESSETH:

WHEREAS, Company is engaged in the business of providing the necessary materials and labor to complete the Work in the manner therein specified within the time specified, as therein set forth; and

WHEREAS, the City of Stonecrest seeking Bids for 2023 STREET RESURFACING; and

WHEREAS, Company is willing and able to render said services;

NOW, THEREFORE, in consideration of the mutual terms, conditions and covenants set forth herein, the parties hereto agree as follows:

1. SERVICES

Company agrees to render services (the “Services”) to the City to furnish all specified materials or approved equivalent, equipment, and labor to complete the required renderings and assessments as described in its entirety to the specifications as directed and the terms of this contract including all incidentals as directed by the City Manager or his representative or as set forth in Exhibit “A” specifically as detailed in the Scope of Services. Company agrees to perform the Services at the direction of the appropriate department head, or his designee, in the manner and to the extent required by the parties herein, as may be amended hereafter in writing by mutual agreement of the parties.

2. COMPENSATION

a. Fee. In consideration for Services, City shall pay to Company a fee not to exceed the cost described in the bid. The full cost of said services shall not exceed for all the services detailed.

b. Manner of Payment. The City agrees to pay said invoices within thirty (30) days of receiving same. As the City is a local government entity and thus exempt from sales taxation, notwithstanding the terms of the bid, Company acknowledges that the City shall not be responsible for payment of any sales taxes on any invoices submitted for the services provided under this Agreement.

3. RELATIONSHIP OF PARTIES

a. Independent Contractors. Nothing contained herein shall be deemed to create any relationship other than that of independent contractor between City and Company. This Agreement shall not constitute, create, or otherwise imply an employment, joint venture, partnership, agency or similar arrangement between City and Company. It is expressly agreed that Company is acting as an independent contractor and not as an employee in providing the Services under this Agreement.

b. Employee Benefits. Company shall not be eligible for any benefit available to employees of the City including, but not limited to, workers’ compensation insurance, state disability insurance, unemployment insurance, group health and life insurance, vacation pay, sick pay, severance pay, bonus plans, pension plans, or savings plans.

c. Payroll Taxes. No income, social security, state disability or other federal or state payroll tax will be deducted from payments made to Company under this Agreement. Company shall be responsible for all FICA, federal and state withholding taxes and workers' compensation coverage for any individuals assigned to perform the Services for the City.

4. CONTRACT PERIOD

The performance period for this contract shall be upon completion of the full scope of work. Contract performance shall begin on the date stated in the contract award letter.

5. TERMINATION FOR CAUSE AND FOR CONVENIENCE

Either party shall have the right to terminate this Agreement if the other party is in default of any obligation hereunder and such default is not cured within ten (10) days of receipt of a notice from the other party specifying such default. "Default" shall mean:

- a. If the City fails to make payments when due or fails to perform or observe any of its duties or obligations under the terms of this Agreement;
- b. If Company fails to perform or observe any of its duties or obligations under the terms of this Agreement;
- c. If either the City or Company shall have made any warranty or representation in connection with this Agreement which is found to have been false at the time such warranty or representation was made and is materially harmful to the other party.

This Agreement may also be terminated by the City for convenience by giving Company written notice sixty (60) days prior to the effective date of termination.

6. COMPENSATIVE IN EVENT OF TERMINATION

If this Agreement is terminated by the City for convenience, Company shall be exclusively limited to receiving only compensation for the pro-rata work performed and appropriately documented to and including the effective date identified in the written termination notice, but in no event shall Company receive less than a prorated amount of the service fees hereunder. Any amount over the amount otherwise due by the City for the services provided prior to the termination date shall be refunded by the Company within ten (10) days of the date of termination, with the exception of any costs incurred by the Company in removal of equipment and shutting down the project, which costs shall be borne by the City in the event of termination for convenience.

7. TERMINATION OF SERVICES AND RETURN OF PROPERTY

Upon the expiration or earlier termination of this Agreement, Company shall immediately terminate the Services hereunder and shall deliver promptly to the City all property relating to the Services that is owned by the City.

8. STANDARD OF PERFORMANCE AND COMPLIANCE WITH APPLICABLE LAWS

Company warrants and represents that it possesses the special skill and professional competence, expertise and experience to undertake the obligations imposed by this Agreement. Company agrees to perform in a diligent, efficient, competent and skillful manner commensurate with the highest standards of the profession, and to otherwise perform as is necessary to undertake the Services required by this Agreement, including the requirements set forth in the Certification of Sponsor Drug Free Workplace Exhibit “C”.

Company warrants and represents that it will, at all times, observe and comply with all federal, state, local and municipal ordinances, rules, regulations, relating to the provision of the Services to be provided by Company hereunder or which in any manner affect this Agreement.

9. CONFLICT OF INTEREST

Company warrants and represents that:

- a. the Services to be performed hereunder will not create an actual or apparent conflict of interest with any other work it is currently performing; and
- b. Company is not presently subject to any agreement with a competitor or with any other party that will prevent Company from performing in full accord with this Agreement; and
- c. Company is not subject to any statute, regulation, ordinance or rule that will limit its ability to perform its obligations under this Agreement. The parties agree that Company shall be free to accept other work during the term hereof; provided, however, that such other work shall not interfere with the provision of Services hereunder.

10. PROPRIETARY INFORMATION

Company acknowledges that it may have access to and become acquainted with confidential and other information proprietary to the City including, but not limited to, information concerning the City, its operations, customers, citizens, business and financial condition, as well as information with respect to which the City has an obligation to maintain confidentiality (collectively referred to herein as “Proprietary Information”). Company agrees not to disclose, directly or indirectly, to anyone or to use or to allow others to use, for any purpose whatsoever, any Proprietary Information of any type, whether or not designated confidential or proprietary, acquired in the course of performing under this Agreement. The obligations of Company under this section shall survive the termination of this Agreement.

11. INSURANCE

Company agrees to defend, indemnify and hold harmless the City of Stonecrest, its officers, employees and agents, to the extent allowed by applicable law, from and against any and all third party claims, losses, liabilities or expenses (including, without limitation, attorneys’ fees) which may arise, in whole or in part, out of a breach by the Indemnitor of its obligations under this Agreement.

12. ASSIGNMENT

Company shall not assign this Agreement without the prior express written consent of the City. Any attempted assignment by Company without the prior express written approval of the City shall at the City’s sole option terminate this Agreement without any notice to Company of such termination.

13. NOTICES

All notices or other communications required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given when delivered personally in hand, or when mailed by certified or registered mail, return receipt requested with proper postage prepaid, addressed to the appropriate party at the following address or such other address as may be given in writing to the parties:

If to the Company:

14. GOVERNING LAW AND CONSENT TO JURISDICTION

This Agreement is made and entered into in the State of Georgia and this Agreement and the rights and obligations of the parties hereto shall be governed by and construed according to the laws of the State of Georgia without giving effect to the principles of conflicts of laws. The jurisdiction for resolution of any disputes arising from this Agreement shall be in the State Courts of DeKalb County, Georgia.

15. WAIVER OF BREACH

The waiver by either party of a breach or violation of any provision of this Agreement shall not operate or be construed to constitute a waiver of any subsequent breach or violation of the same or other provision thereof.

16. SEVERABILITY

If any provision of this Agreement is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the Agreement, which shall remain in full force and effect, and enforceable in accordance with its terms.

17. ENTIRE AGREEMENT

This Agreement which includes the exhibits hereto contains the entire agreement and understanding of the parties with respect to the subject matter hereof, and supersedes and replaces any and all prior discussions, representations and understandings, whether oral or written. This Agreement incorporates the Company’s Scope of Services. In case of conflict between any term of the Company’s Bid and this Agreement, the terms of this Agreement shall control unless otherwise stated herein.

19. GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT

Offeror's full compliance with all applicable federal and state security and immigration laws, including without limitation O.C.G.A. § 13-10-90, *et seq.* as amended and Georgia Department of Labor Rule 300- 10-1, *et seq.* is a condition for the contract bid and any contract award. Offeror is required to affirm compliance by completing and returning all three (3) Georgia Security and Immigration Compliance documents (Appendix I) with Offeror's Bid.

Pursuant to O.C.G.A. § 13-10-91 no Offeror or subcontractor may propose a contract or enter into a contract with a public employer for the physical performance of services unless the Offeror or subcontractor is registered with and participates in the federal work authorization program to verify information of all newly hired employees, and provides certain required affidavits. Any Offeror, subcontractor, or sub-subcontractor of such Offeror or subcontractor, shall also be required to satisfy the requirements set forth herein.

20. CRIMINAL HISTORY BACKGROUND CHECKS

Contractors awarded contracts resulting from this solicitation shall ensure prior to the onset of the contract, that criminal history background checks are performed on all employees assigned to perform services under the contract.

The Contractor shall ensure that all persons hired to perform services for this contract after the contract has begun, shall undergo a criminal history background check. This shall be done prior to the employee starting work.

Note: The Contractor shall provide to The Procurement Department, the names of **all** personnel assigned to perform services for the City of Stonecrest, **prior** to the start of work.

IN WITNESS WHEREOF, the parties have executed this Agreement through their duly authorized representatives.
