16.2 This Contract shall be referred to and incorporated within any contractual arrangement between the Service Provider and a subcontractor and, in such contractual arrangement; the subcontractor shall give its express written consent to the provisions of this Section 16. To the extent feasible, the provisions of this Contract shall apply to any such subcontractor in the same manner as they apply to the Service Provider. - 23.7 The use of any gender herein shall include all genders, and the use of any number shall be construed as the singular or the plural, all as the context may require.
- 23.8 The delay or failure of the City at any time to insist upon performance of any of the terms, conditions, and covenants herein shall not be deemed a waiver of that breach or any subsequent breach or default in the terms, conditions, or covenants of this Contract. The Service Provider shall not be relieved of any obligation hereunder on account of its failure to perform by reason of any strike, lockout, or other labor disturbance.
- 23.9 If the City shall, without any fault, be made a party to any litigation commenced between the Service Provider and a third party arising out of the Service Provider's operations and activities at the premises, then the Service Provider shall pay all costs and reasonable attorney's fees incurred by or imposed upon the City in connection with such litigation for all trial and appellate proceedings. The City shall give prompt notice to the Service Provider of any claim or suit instituted against it by such third party. The provisions of this Section supplement and are not intended to be in lieu of the indemnification provisions of Section 5 hereof. The provisions of this Section shall survive the acceptance of the services and payment, therefore, and the expiration or earlier termination of this Contract.
- 23.10 The City shall have the right to recover from the Service Provider all of the City's costs and expenses incurred in enforcing the provisions of this Contract including, but not limited to, (1) the cost of administrative investigation and enforcement (including, without limitation, audit fees and costs, attorneys' fees) and (2) the cost of any trial, appellate or bankruptcy proceeding (including, without limitation, investigation costs, audit fees and costs, attorney's fees, court costs, paralegal fees and expert witness fees). - 23.14 The City shall, in its discretion, be entitled to deduct from the compensation to which the Service Provider is otherwise entitled hereunder, an amount equal to any liabilities of the Service Provider to the City which is then outstanding. In the event that additional work beyond the scope of this Contract is requested by the City Manager and it results in any extra charges to the City, the Service Provider shall so advise the City in writing of the amount of the extra charges. The City is not required to pay any extra charges for additional work unless such work and the charges, therefore, have been approved in advance and have been confirmed in writing within twenty-four (24) hours by the City Manager, in his or her exclusive discretion.
- 23.15 The Service Provider is an Independent Service Provider, and nothing contained herein shall be construed as making the Service Provider an employee, agent, partner or legal representative of the City for any purpose whatsoever. The Service Provider acknowledges that it does not have any authority to incur any obligations or responsibilities on behalf of the City and agrees not to hold itself out as having any such authority. - 23.16 The Service Provider and its subcontractors if any, shall maintain complete and accurate books and records in accordance with generally accepted accounting principles, consistently applied, and shall be in a form reasonably acceptable to the City Manager or designee. The Service Provider and its subcontractors shall account for all expenses of any nature related to transactions in connection with the Contract in a manner which segregates in detail those transactions from other transactions of the Service Provider and subcontractors and which support the amounts reported and /or invoiced to the City. Such records shall be provided within thirty (30) days or request thereof. In the event that expenses incurred or reimbursed are found by such inspection, examination, or audit to have been overpaid, the Service Provider and its subcontractors agree that such amounts shall be payable to the City. This provision shall survive the expiration or earlier termination of this Contract. In the event of any conflict between any provision of this Contract and generally accepted accounting principles or generally accepted auditing standards, the provisions of this Contract shall control even where this Contract references such provisions or standards. In particular, without limitation, the Service Provider and subcontractors shall maintain all records required under this Contract to the full extent required hereunder, even if some or all such records would not be required under such generally accepted accounting principles or auditing standards. If as a result of an inspection, examination or audit, it is established that amounts are due from the Service Provider to the City, the Service Provider shall forthwith, upon written demand from the City, pay the City such amount, together with interest on the amount due at the rate of twelve (12%) percent per annum, or if less, the maximum rate of interest allowed by law, from the date such additional amounts were overpaid by the City. Further, if such inspection, examination or audit establishes that the Service Provider has overbilled such amounts for any Contract period by two (2%) percent or more, then the entire expense of such inspection, examination or audit shall be paid by the Service Provider.

- 23.17 The Service Provider and subcontractors shall prepare and provide the City with all detailed reports as required under the Contract on a timely basis. The City reserves the right to modify the reporting procedures or the form and content of any report as it deems necessary.

EXHIBIT B

SPECIFICATIONS AND SCOPE OF WORK

INTRODUCTION, BACKGROUND, AND ITB PROCESS

Introduction

The City of Stonecrest, Georgia (the “City”) is seeking competitive bids from responsible bidders for ITB 23-12, Salem Park Parking Lot Expansion.

Background

Stonecrest is a community of sixty thousand (60,000) people that was incorporated in 2017. The City is located along Interstate 20, roughly three (3) miles east of I-285 (“The Perimeter”) and twenty (20) miles east of Downtown Atlanta. Stonecrest is in the southeastern portion of Dekalb County and is bordered by Rockdale County to the east, Henry County to the south, and the City of Lithonia and unincorporated Dekalb County to the north and west.

I-20 separates the City into a northern area, which includes residential neighborhoods, commercial development along Covington Highway, industrial parks that date to the 1960s and active quarries that predate incorporation by 130 years. South of I-20 features regional retail and lodging, suburban neighborhoods, and substantial outdoor recreation areas. Welcoming to all, Stonecrest is proud to be one of the largest majority African-American cities in Georgia.

Much of the City’s commercial core south of I-20 was master planned by Cadillac Fairview, a development company that purchased more than fourteen hundred (1,400) rural acres in the 1980s and opened the 1.3 million square foot Mall at Stonecrest in 2001. Cadillac Fairview is no longer involved in the project, but the Mall is well-occupied and evolving. Much of the land around the mall remains undeveloped, including approximately three hundred (300) acres controlled by a private developer via a bond-for-title arrangement with the Stonecrest Development Authority.

One of the defining features of Stonecrest is the two thousand five hundred fifty (2,550) acre Davidson-Arabia Mountain Nature Preserve, a stunning natural area with hiking trails, thirty (30) miles of paved multi-use paths, lakes, and the granite monadnock of Arabia Mountain itself. The broader, forty thousand (40,000) acre Arabia Mountain National Heritage Area contains many additional assets, including the historic African American community of Flat Rock, an active quarry, and a Trappist monastery. Other notable assets in the City include Emory Hillandale Hospital, the South River, and a number of formerly County-owned parks and recreation facilities.

Invitation to Bid Process

This solicitation is an Invitation to Bid (ITB). In using this method for solicitation, we ask the marketplace for its best effort in seeking a “best value/lowest cost” solution to our requirements. Bids will be evaluated based on the qualification factors outlined in this ITB, Suppliers should make their best effort to satisfy the requirements at their best price.
