12. Assist local businesses negatively impacted by mandated pandemic rules (plea...

1. More sidewalks. 2. An educational plan with schools to teach children (and adults) on littering. This is becoming a health hazard. Work with businesses and communities to keep their place of business litter-free.	1
A portion should be used to leverage the cost of HVAC units for homeowners in the city of Stonecrest.	1
Access to a local grocery store Publix Kroger Trader Joe's costcos there are no local grocery stores in stone crest please exclude the local Walmart which is always out of everything because it's the only store in the area	1
ACH	1
Affordable housing	1
After school programs for our children.	1
Agree with all of the above but hope that the city ensures funds are going discretely to those in need. Proper and fair vetting of persons receiving any assistance should be done.	1
Allocate funds to assist Homeowner's Association in efforts to make capital improvements to Front entrances to subdivision.	1
Allow and fund housing for frontline workers in the city of Stonecrest residents.	1
Allow landlords to request assistance for tenants who are simply squatting. Landlords are still responsible for mortgages and taxes. Not fair the the process is one sided!	1
Arts and entertainment	1
Assist homeowners with outdated and non-functional HVAC units.	1
Assist in aiding to attain business loans and grants	1
Assist kids with summer learning loss and mental wellness	1
Assist low income seniors with much needed home improvements/shelter.	1
Assist with property taxes.	1
Assistance for residents 60 and older	1
Assistance in keeping the city of Stonecrest clean	1
Assistance provided to all City Workers during 2020-2022	1
Assistance to college students	1
Assistive living for disable	1
Back pay is a moot point as people have moved on to other jobs, but better pay for daycare/aftercare (to avoid stray teens) & a variety of add'l jobs for teens would be great.	1

Beautification projects	1
Better housing options for low income seniors.	1
Better parks like Gwinnett, Funding for local non profits	1
Better restaurants options. Like a Starbucks and healthy eateries. I will also like to see an active center in Stonecrest. I have to take my children to another county for activities.	1
Bring heavy rail to the City of Stonecrest.	1
Bring more business to Stonecrest and increase security	1
Bringing a theme park to the city where families can come together relax, eat and enjoy a walk while admiring the well kept landscape.	1
Built sidewalk to connect the community	1
Business development, management, operating finances.	1
Businesses must prove they needed assistance .	1
Childcare in the way of summer camp and after school care in our community.	1
Citizens who were out of work due to contracting Covid.	1
City of stonecrest wifi	1
City sponsored incubator for adult and youth entrepreneurs with disaster prep as one of the themes in addition a city sponsored social science contest/biz are featuring ways to prepare for disaster, improve health outcomes or support sustainable community	1
Classes on how to communicate and work together	1
Clean up the community. Lithonia looks rundown	1
Clean up the streets it's dirty	1
Compensation for lost revenue to businesses.	1
Continue Covid testing sites	1
Create a city owned attraction that will generate revenue entertainment venue, Indoor/Outdoor Stadium,	1
Create a comprehensive plan to assist small businesses in crisis mode to prevent the business from having to shut its doors. Develop criteria that is more subjective than objective as to who and how much each business receives.	1
Create jobs in the Stonecrest area.	1

CREATE LAW TO CAP INCREASE IN RENT AMOUNTS BY LAND LORDS	1
Direct Payments to homeowners	1
Directly to those who need it, no middle man needed	1
During the school year give teachers and students the opportunity for weekly Covid testing. I work for APS and it really helped keep track of positivity cases among teachers and students.	1
Education	1
Effective screening processes for whatever assistance is given in order to decrease fraud and misappropriation of funds ensuring that those who really needs it gets it	1
Emergency vehicles for City of Stonecrest	1
Entrepreneurship classes, local business spotlight to increase community awareness	1
Essential worker	1
Establish an appropriate supermarket (Walmart is not adequate). We need a Kroger or a Publics in the community. There is not a useable Gym in the community (there needs to be a planet fitness or the like added to the community)	1
Expand walking path to bridge neighborhoods to Arabia Mtn trail, promote health initiatives, to alleviate the need for additional renal treatment centers. Sidewalks along Rock Springs Road for those walking to public transportation.	1
Families in need of rent assistance	1
Family Engagement & Equity/Equality Outreach Services	1
Financial aid	1
Find ways to bring more corporate businesses	1
Fix our schools. It'll make property value go up which will get more funding to do more things	1
Fix pot holes on streets especially on railroad tracks. Also, getting all power lines underground. Ga is the only place where the power goes off because of storms summer or winter.	1
Fix the massive potholes on Hillandale Avenue that have lead to major vehicle damage and costly repairs	1
Fix turning lines since home development	1
Food pantries, mortgage/rental assistance, etc.	1
Forgivable loans specifically used for business improvement and job creation excluding the owners.	1

Free adult education	1
Free food fridges	1
Fresh Food sources. We seem to go to Conyers for everything.	1
Frontline and all medical workers	1
Fund programs for children and young adults. This will assist in keeping them off the streets and away from criminal activity.	1
Funding with homeowner mortgages and utilities and not homeowners and tax others paying the increased property tax when Dekalb only helped renters	1
Funds to help local businesses modernize and provide new services.	1
Funds to help Small business get back on track	1
Funds to offset inflation	1
Gas gift cards for residents of Stonecrest only	1
Give ea family cash rebate.	1
Give funding dedicated towards customer service training	1
Give loans very low interest rate	1
Give money to the small businesses that applied for funding the first time around and we're denied.	1
Give small business loans but at low rate. But they have to pay loans back.	1
give to families where there is lack of income	1
Giving some assistance to their employees	1
Grants to help woman business of undeserved communities, Hubzones	1
Grants to small businesses	1
Grants towards grassroots organizations, artist competitions (art work)	1
grocery store	1
Have town hall meeting at the library with business and community organizations-such as churches, schools, daycare	1
Hazard pay to Seniors 60 and older \$500	1

Health and wellness initiatives, such as free mental health services, walk-friendly corridors near mall/businesses, positive thinking campaign; City identity planning to answer who we are and what we stand for as a community, then promote it engagingly.	1
Help family with small children get food but also birth control measures	1
Help Family's	1
Help for low income and school workers	1
Help for renters	1
Help for seniors and the disabled on fixed incomes	1
Help get they business back running	1
Help pay rent/mortgage and food for families.	1
Help struggling Home Owners with Mortgage Utilities assistance and Food Pantries during this time of inflation.	1
Help the homeless s	1
Help with gas . To give household funds to assist with gas	1
Help with individual who need help with keeping up with yard maintenance	1
Help with payment of utilities and groceries	1
Help with the student debt crisis.	1
Hire a city planner to help us grow the economic base and attract more residents	1
Housing assistance for seniors and people with low income jobs.	1
I believe we need more food options in Stonecrest.	1
I support sidewalks and transportation to the mall. Park with a food truck area. Youth jobs and real world training and financial management student after school programs and tutoring.	1
I think this assistance should be given to residents who have lived within the city for at least 12 months. I would like to see the city provide funding to households with children, similar to what the federal government provided during the pandemic.	1
I would like to get help to build a free facility for all students with special needs on my 4 acre property.	1
I would like to see a program for local farming assistance.	1
I would like to see assistance for programs that target the youth. Programs that provide guidance on enrolling in trade programs, on the job computer training, certification programs etc.	1

I would like to see funds used towards job training for the youth in high school.	1
I would like to see that the struggling businesses in Stonecrest be given a financial boost to support overhead & face lifting for the businesses.	1
I would to see more of the senior get more home repair for there house	1
If a business qualified for the first COVID relief funds but still need assistance if they are still INNEED and can now qualify	1
If it's feasible it would be great to see some of the funds go toward attracting new businesses or encouraging small businesses that operate in Stonecrest to pursue "physical locations."	1
Improve access to IT services	1
Improving the green space	1
Infrastructure in communities	1
Infrastructure needs repairs	1
infrastructure repairs, code enforcement hires, cameras installed to prevent dumping, solar lighting on dark streets ie, Evans Mill Rd.	1
Infrastructure, Greenspace, and parks/pools for children during the summer months.	1
Insurance premiums	1
It seems to me that all the right ideas are here, question is, why are the right ideas always known but no one ever puts the "right plan" to action instead of putting their "own" plans to action?	1
It would be wonderful to turn Salem Park into a destination for outdoor activities. I have a 5 year old son and I often have to travel to other counties in order to find a fun playground.	1
Just don't mess over the money!	1
Just don't embezzle the money for once.	1
Keep people in thier homes by lowering their taxes depending on age, family and health needs. We do not want homeless on any streets or to have to sleep in cars	1
Land bridges across traffic	1
Litter is a major issue Litter and illegal dumping is a major issue please address this	1
local business need higher wages for staff & funds for inventory/supply orders to be fulfilled.	1
Local businesses, seniors and disabled, education for youth and adults	1
Lower home tax	1

Marketing to bring new grocery stores and businesses to area	1
Marta access	1

meeting spaces	1
Mental Health needs	1
Mental health services available consistently in schools, not just after tragedy	1
Monetary	1
money to decrease the increase in property tax	1
Monies to increase wages to attract potential employees	1
More accessible grocery stores sidewalks Marta bus stop shelters. ,Trash pick	1
More police on the streets	1
more police presence in malls, and near stores, parks and trails	1
more preventive educators that would teach being kind for pre-school age children, teach awareness of gun violence	1
More programs for school age kids a year to curve the crime areas	1
More street maintenance/trash cleanup on our main thorough-fares	1
More support for small businesses	1
more technology for schools	1
More traffic safety lights . Help with seniors facing new technology	1
Mortgage assistance	1
Much needed affordable housing for seniors and disabled people.	1
nail salons, barbers, hair stylists,	1
Need free training for adults 30 and below effected by covid	1
Neighborhood streets need re-surfacing,in 24 yrs our street haven't been repaved.	1
New parks and recreation facilities for our youth.	1
No	1

No more townhouses,has stations,fast food,section 8 ,renters in HOA:	1
No or low interest loans	1
Not business that already received PPE loans but to businesses that are long standing in the community who may have suffered losses	1
not sure	1
Not sure how but definitely need to figure out why workers are not working and how to get th back there.	1
Not sure, how about offering assistance to businesses that somehow aided those affected?	1
older adults need assistance	1
Open the recreation centers for the children	1
Opening the movie theater. Programs for teens	1
OPPORTUNITY ZONES HELP SMALL BUSINESS	1
Our own police force	1
Our own trash removal service	1
Pace our roads	1
Parks & Recreation	1
Pave Roads in the Parks at Stonecrest damaged by heavy trucks and construction	1
Pay for loss of wages for those who depended on providing transportation or food deliveries.	1
Payroll assistance for employees displaced because reduction in service. Assistance with mandatory ppe th at had to be bought in order to business.	1

small business to provide a decent wage for employees ,student internship	1
Small businesses, NOT Dollar stores, Liquor stores or Gas stations	1
Small businesses: small restaurants (not chain); Independent clothing stores;	1
Some small businesses just could not qualify for a loan due to credit. They had A1 credit before Covid19. Please help them.	1
Speed bumps in Haynes Park subdivision	1
Stimulus check to residents of stonecrest	1
Stonecrest needs to focus on the top areas of lack :education and infrastructure. Education and infrastructure attract new residents. Currently, both underperform compared to other cities.	1
Stop giving to friend and require guidelines and proof for support.	1
Stop the acceleration of Crime and Violence	1
Street lights and build Stonecrest police	1
Street needs repairs	1
Supplement salaries for Stonecrest teacher residents	1
Support the hard working middle to low income class	1
Taking care of our essential workers	1

Taxes,HOA, Mortgages	1
The essential workers need to be identified and make sure they receive the just rewards that are due them. Some are struggling with financial and day to day needs	1
The essential workers who had to spend extra monies on food and utilities while school children was at home during pandemic	1
The NIH reports that "high fruit and vegetable intake may prevent SARS-Covid-2 due to their antiviral properties and their ability to boost the immune system." Aeroponic gardens yield 30% more produce and use 90% less water than traditional gardens.	1
The roads are in multiple subdivisions including my own need repavement and speed bumps (Idlewood Crossing)	1
The working class citizens that do not benefit from services provided to residents with kids, the disabled or the elderly. The homeowners between the ages of 40-60yo would benefit from mortgage , property tax and home repair assistance.	1
There must be more support given to individuals who have medical needs such as programs that can assist cancer patients, outreach with social workers, medical and food assistance, transportation, home and childcare and financial assistance.	1
Those of us who had to work in the public in the midst of the pandemic. Especially if we are considered high risk. Some of us did it while other received support from the government and other projects. Many stayed home for months while being paid.	1
To be able to get services from city government and be able to see what and where the money goes	1
To senior citizens rental assistance	1
To the senior citizens. We can't qualify for food stamp unless we have nothing, yet young people can get them so easily.	1
Training for people out of work	1
Transportation for seniors	1
Transportation of elderly to pharmacies and other health care facilities	1
Transportation provided for adults, senior citizens , handicap persons etc. who aren't able to get to where the event is taking place	1
Trash cleanup and trash offender warning notifications	1
Tutorial services for students and tax breaks for SC residents.	1
Tutoring and enrichment opportunities for students K-12	1

Unrestricted Cash Payments or Universal Basic Income Payments	1
Use a formula similar to how PPP loans were calculated but use the amount reported on the 2020 Schedule C. Only provide assistance to local businesses that have been in operation for less than 5 years.	1
Use funds to fix the numerous traffic bottlenecks. Leverage funds with available state, county, and county partnerships to fix traffic issues. Refresh all safety signs. We need flashing school zone signs in front of all schools. Especially Salem M School	1
Very nice greenspace parks that would give residents outdoor outlets...maintain and upkeep of park amenities. Manicured grass fields and shrubs/plants/flowers	1
Water upgraded brownsmill recreational center utilize by the community	1
Ways to help bridge the learning gap that children suffered over the past two years with the online format of schooling.	1
We can upgrade the sports facilities and parks that are in our area. We can also use some of that money to start some city funded youth sports programs in the area.	1
We have to grow our area. We have too many low income shopping options and that doesn't reflect the rapid growth of residents to the area.	1
We need Solar Street lights in our area.	1
We need to implement financial literacy in our schools to prepare our children for the world. Teachers needs raises. Critical race theory needs to be taught.	1
We would like to see more city activities in the community with city leadership there the entire event!	1
Whatever decreases the tax burden on property tax payers	1
While \$9.7M is a relatively small amount of money, I think the funds should be used to spur economic growth. Once we make the area as a desirable place to be, the tax revenue will put much more than \$9.7M in the city's coffers. We need ROI.	1
With consistent application of public criteria.	1
Would like to see more Senior Living Apartments for Seniors resident where it's not base on your income. I am on a fixed income and to be told I may too much money to rent one of these unit is so disheartened.	1
Would love to see capital improvement/ city beautification projects done across the city. Mass city clean-up, repainting of buildings, tearing down decrepit buildings, etc.	1
Yes	1
Youth employment. Athletic programs for kids recreational facilities for adults. Park safety. Animal control. Traffic control. psy police more	1

Those who have the greatest community impact.	2
??	1
1.Non emergency medical Transportation businesses.	1
A business that has shown a profit and not a business that is not. Filed bankruptcy or is in the process of selling their business. Self employed with one or two other employees.	1
Affordable housing	1
