- Signed and notarized affidavits of all applicants. Use attached sheet.

Please respond to the following criteria based on the nature of your request, as required by state law and City of Stonecrest Zoning Ordinance (use additional pages where necessary).

Special Land Use Permit Criteria

Analyze the impact of the proposed use and provide a written point-by-point response to the following questions:

- a. Adequacy of the size of the site for the use contemplated and whether or not adequate land area is available for the proposed use including provision of all required yards, open space, off-street parking, and all other applicable requirements of the zoning district in which the use is proposed to be located;
- b. Compatibility of the proposed use with adjacent properties and land uses and with other properties and land uses in the district;
- c. Adequacy of public services, public facilities, and utilities to serve the proposed use.
- d. Adequacy of the public street on which the use is proposed to be located and whether or not there is sufficient traffic-carrying capacity for the use proposed so as not to unduly increase traffic and create congestion in the area;
- e. Whether or not existing land uses located along access routes to the site will be adversely affected by the character of the vehicles or the volume of traffic generated by the proposed use;
- f. Adequacy of ingress and egress to the subject property and to all proposed buildings, structures, and uses thereon, with particular reference to pedestrian and automotive safety and convenience, traffic flow and control, and access in the event of fire or other emergency.
- g. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of noise, smoke, odor, dust, or vibration generated by the proposed use.

- h. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of the hours of operation of the proposed use;
- i. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of the manner of operation of the proposed use;
- j. Whether the proposed use is otherwise consistent with the requirements of the zoning district classification in which the use is proposed to be located;
- k. Whether the proposed use is consistent with the policies of the comprehensive plan;
- l. Whether the proposed use provides for all required buffer zones and transitional buffer zones where required by the regulations of the zoning district in which the use is proposed to be located;
- m. Whether there is adequate provision of refuse and service areas;
- n. Whether the length of time for which the special land use permit is granted should be limited in duration;
- o. Whether the size, scale and massing of proposed buildings are appropriate in relation to the size of the subject property and in relation to the size, scale and massing of adjacent and nearby lots and buildings;
- p. Whether the proposed use will adversely affect historic buildings, sites, districts, or archaeological resources;
- q. Whether the proposed use satisfies the requirements contained within the supplemental regulations for such special land use permit;
- r. Whether the proposed use will create a negative shadow impact on any adjoining lot or building as a result of the proposed building height; and
- s. Whether the proposed use would be consistent with the needs of the neighborhood or the community as a whole, be compatible with the neighborhood, and would not be in conflict with the overall objective of the comprehensive plan.
