Tenant's annual share of Operating Expenses shall be computed by multiplying Operating Expenses by a fraction, the numerator of which shall be the number of square feet of the Premises and the denominator of which shall be the number of square feet of gross leasable area of the Shopping Center with the exception of the water/sewer and sanitation charges which for all practical purposes the Tenant agrees to pay as part of his annual CAM charges any amount above \$1164 per year with respect to the water/sewer services and any amount above \$1584 per year with respect to the sanitation charges. Landlord or Landlord's representative shall have the right, but not the obligation, to enter the Premises for the purpose of inspection to ensure compliance with all Applicable Laws, including all Environmental Laws. To the extent that Hazardous Substances are found to exist during any inspection or sampling event, Tenant shall be responsible for the expense of the inspection and sampling, as well as the expense of remediating the Hazardous Substances. Tenant shall indemnify, defend, and hold harmless Landlord from and against all claims, actions, damages, liability, and expense, of any nature whatsoever, foreseen or unforeseen as may result from Tenant's action or non-action with regard to its obligations under this Section or from Tenant's use of dry-cleaning solvents and dry-cleaning equipment at the Premises, including, without limitation, any claims for personal injury, property damage, or environmental damage that may result from Tenant's operation of a dry-cleaning business at the Premises. The costs for which Landlord is indemnified under this provision shall include, without limitation, legal fees, environmental consulting and engineering fees, and other professional or expert fees, which Landlord shall incur. The provisions of this Section 4.4 shall survive the expiration or early termination of this Lease.

As used herein, the term "Hazardous Substances" shall be interpreted broadly to include, but not be limited to, any material or substance that is defined, regulated or classified under federal, state, or local laws, including without limitation, as: (i) a "hazardous substance" pursuant to section 101 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §9601(14), section 311 of the Federal Water Pollution Control Act, 33 U.S.C. §1321, as now or hereafter amended; (ii) a "hazardous waste" pursuant to section 1004 or section 3001 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6903, 6921, as now or hereafter amended; (iii) a toxic pollutant under section 307(a)(1) of the Federal Water Pollution Control Act, 33 U.S.C. §1317(a)(1); (iv) a "hazardous air pollutant" under section 112 of the Clean Air Act, 42 U.S.C. §7412, as now or hereafter amended; (v) a "hazardous material" under the Hazardous Materials Transportation Uniform Safety Act of 1990, 49 U.S.C. ARTICLE V ALTERATION, REPAIR, AND MAINTENANCE

5.1 Alterations by Tenant: Tenant shall not make any alterations (including, but not limited to, alterations to the exterior, the storefront, signs, or utility lines or systems within or serving the Premises), nor secure any fixtures, equipment, machinery, or other apparatus, to the Premises without Landlord's prior written approval, and Tenant shall promptly remove upon order from Landlord any decoration or alteration made or installed upon the Premises without Landlord's written consent. Landlord shall have the right to run utility lines, pipes, roof drainage pipes, conduit, wire, ductwork, or sprinkler systems, where necessary, through, in, or beneath, the Premises, and maintain same in a manner which does not unduly interfere with Tenant's use thereof.

5.2 Repairs by Tenant: Tenant shall keep by routine maintenance, repair, at its sole cost and expense, the interior of the Premises, together with the storefront and all door frames, doors, plate glass and windows of the Premises, and all electrical, plumbing, heating, ventilating, air conditioning and any other mechanical installations serving the Premises or located therein, whether or not in or under the floor slab or on the roof of the Premises, in good condition and working order at all times during the Term hereto. Tenant shall contract for any necessary pest control or exterminating services for the Premises. Tenant agrees to employ a suitable licensed contractor to perform Tenant's obligations for maintenance of the heating, cooling and ventilating including at least semiannual inspections and cleaning of the system together with such servicing as each such inspection shall disclose, and shall at all times keep in force an effect a maintenance contract with such contractors with respect to same; and further, Tenant shall keep in force, at Tenant's expense, at all time during the term a contract for the regular service and maintenance of the HVAC equipment serving the Premises. In the event Tenant fails to perform its maintenance, and repair obligations as provided herein, Landlord may, at its option, perform such remedial action on behalf of Tenant, and Tenant agrees to pay to Landlord, as Additional Rent, the cost thereof plus fifteen (15.0%) percent overhead promptly upon demand by Landlord. In the event that an HVAC unit(s) needs to be replaced, and provided that the Tenant has been maintaining the HVAC unit(s) as required per this lease, Landlord shall replace such unrepairable unit(s) at the request of the Tenant and Tenant shall contribute fifty percent (50%) of such replacement cost(s).

5.3 Liens: Tenant hereby indemnifies and holds Landlord harmless against, and shall keep the Premises and the Shopping

maintenance, repairs shall be the sole responsibility of Tenant with respect to Tenant's premises and shall be prorated with respect to the Common Areas. Landlord shall be responsible for the repair of the roof and all leakage before turning over the premises to Tenant.

5.6 Tenant's Work: All work required to prepare the Premises for the Permitted Use ("Tenant's Work") which is not specifically described as Landlord's Work in Exhibit "B" shall be the sole obligation of Tenant and shall be performed at the sole cost of Tenant in accordance with plans and specifications to be approved by Landlord. Tenant agrees to provide Landlord with permissible construction documents drawn by registered Architects and/or Engineers depicting Tenant's Work. Tenant shall also submit to Landlord a copy of the contractor's business license and a Certificate of Insurance from the contractor's insurer naming Landlord as an Additional Insured.

Tenant shall not be allowed to commence any Work until Landlord has approved in writing Tenant's proposed plans and specifications. Landlord and its representatives shall have the right to enter upon the Premises for the purpose of inspecting construction, the progress of the Tenant's Work, and compliance with the approved plans and specifications.

ARTICLE VI CASUALTY AND CONDEMNATION

6.1 Casualty. Landlord shall have the right, upon thirty (30) days prior written notice to Tenant, to terminate this Lease in the event (i) the Premises is damaged by fire or other casualty to the extent of more than ten (10.0%) percent of the replacement cost thereof, (ii) the Shopping Center is damaged by fire or other casualty to the extent of ten (10.0%) percent or more of the replacement cost thereof, (iii) any damage to the Premises cannot, in Landlord's sole discretion, be repaired within ninety (90) days of the date of such damage, or (iv) the Premises is damaged or destroyed during the last thirty (30%) percent of the Lease Term, or during any renewal or extension term of this Lease. If Landlord should elect to repair or rebuild the Premises because of any damage or destruction, Tenant shall at its sole expense replace all work and improvements originally installed or performed by Tenant, with such Tenant's work to be completed within ninety (90) days from Landlord's completion of Landlord's repair work (if any) subsequent to such casualty.

6.2 Condemnation. If the whole of the Premises, or so much thereof as to render the balance unusable by Tenant (as reasonably determined by Landlord), shall be taken under power of eminent domain, or otherwise transferred in lieu thereof, or if any part of the Shopping Center is taken and its continued operation is not in Landlord's sole opinion, economical, this Lease shall automatically terminate as of the date possession is taken by the condemning authority. No award for any total or partial taking shall be apportioned, and Tenant hereby unconditionally assigns to Landlord any award, which may be made in such taking or condemnation. In the event of a partial taking, which does not result in the termination of this Lease, Minimum Rent shall be apportioned according to the part of the Premises remaining usable by Tenant.

ARTICLE VII INSURANCE AND INDEMNIFICATION

7.1 Insurance. Tenant shall maintain at its sole expense, commencing upon the date Tenant open for business or 10 business days thereafter and continuing throughout the Lease Term, commercial general liability insurance covering the Premises in a combined single limit amount of not less than \$1,000,000.00 with a \$2,000,000.00 aggregate limit, naming Landlord and any mortgagee(s) of the Shopping Center as additional insureds thereunder. Tenant shall also keep in force, at its sole expense, plate glass, fire and extended coverage insurance for the full replacement value of Tenant's improvements and Tenant's property, including, but not limited to, 100% of inventory, 100% of trade fixtures, 100% of furnishings and other personal property, naming Landlord and any mortgagee(s) of the Shopping Center as additional insureds thereunder. The fire and extended coverage insurance maintained by Tenant shall be written so as to provide that the insurer waives all right of recovery by way of subrogation against Landlord in connection with any loss or damage covered by the policy (Tenant for itself, its successors and assigns, hereby waives any right of recovery against Landlord, its successors or assigns, by virtue of any casualty to the Premises or the Shopping Center). In addition, Tenant shall keep in force workman's compensation or similar insurance to the extent required by law. Should Tenant fail to effect the insurance called for herein, Landlord may, at its sole option, procure said insurance and pay the requisite premiums, in which event, Tenant shall pay all sums so expended plus fifteen (15.0%) percent as overhead to Landlord, as Additional Rent, immediately upon demand. Each insurer under the policies required hereunder shall agree by endorsement on the policy, or by independent instrument furnished to Landlord, that it will give Landlord at least thirty (30) days prior written notice before any policy or policies affecting the Premises shall be altered or cancelled. Each policy of insurance referred to herein shall name as the insured parties thereunder Landlord (including its agents and other parties designated by Landlord) and Tenant, as their interests may appear. The proceeds of such insurance shall not be used, except with the consent of Landlord, for any purpose other than the repair or replacement of property situated within the Premises, and for any third-party liability. Notwithstanding anything contained herein to the contrary, Tenant shall not be permitted to store, sell or give away any such fermented, alcoholic or other intoxicating liquor or beverage on the Premises unless (a) Landlord shall have specifically consented thereto in writing, (b) such use shall be within the Permitted Use, (c) Tenant shall have obtained all required licenses and permits in connection therewith, and such licenses and permits shall be in full force and effect, and (d) Tenant's insurance covers all claims arising under applicable laws relating to the storage, sale, use or giving away of any fermented, alcoholic or other intoxicating liquor or beverage, which claims could be asserted against Landlord, Tenant or the Premises, in amounts and form reasonably acceptable to Landlord. Tenant shall deliver a copy of said insurance to the Landlord upon obtaining the C.O.O and prior to opening for business. During the renovation period, Tenant's contractor shall carry liability insurance on the said premises and shall name the Landlord as additional insured.

ARTICLE VIII
DEFAULT AND REMEDIES

8.1 **Events of Default:** In the event Tenant (i) fails to pay all or any portion of any sum due from Tenant hereunder or pursuant to any Exhibit hereto as and when such payment is due; (ii) fails to cease all conduct prohibited hereby within two (2) business days upon receipt of written notice from Landlord; (iii) fails within two (2) business days to take actions in accordance with the provisions of written notice from Landlord to remedy Tenant's failure to perform any of the terms, covenants and conditions of this Lease; (iv) fails to conduct business in the Premises as herein required; (v) commits an act in violation of this Lease which Landlord has previously notified Tenant to cease more than once in any Lease Year; (vi) becomes bankrupt, insolvent or files any debtor proceeding, takes or has taken against Tenant any petition of bankruptcy; takes action or has action taken against Tenant for the appointment of a receiver for all or a portion of Tenant's assets, files a petition for a corporate reorganization; makes an assignment for the benefit of creditors, or if in any other manner Tenant's interest hereunder shall pass to another by operation of law (any or all of the occurrences in this subsection being deemed a default on account of bankruptcy for the purposes hereof and such default on account of bankruptcy shall apply to and include any guarantor of this Lease); (vii) commits waste to the Premises; or (viii) is otherwise in breach of Tenant's obligations hereunder and shall not have cured such other default within ten (10) days following written notice from Landlord; then Tenant shall be in default hereunder and Landlord may, at its option and without further notice to Tenant, terminate Tenant's right to possession of the Premises and without terminating this Lease re-enter and resume possession of the Premises and/or declare this Lease terminated, and may thereupon in either event remove all persons and property from the Premises, with or without resort to process of any court, either by force or otherwise. Notwithstanding such re-entry by Landlord, Tenant hereby indemnifies and holds Landlord harmless from any and all loss or damage, which Tenant may incur by reason of the termination of this Lease and/or Tenant's right to possession hereunder. In no event shall Landlord's termination of this Lease and/or Tenant's right to possession of the Premises abrogate Tenant's agreement to pay Rent for the full Lease Term. Following re-entry of the Premises by Landlord, Tenant shall continue to pay all Rent as it becomes due under the terms of this Lease, or at Landlord's option, all Rent for the balance of the Lease Term shall be deemed immediately due and payable by Tenant to Landlord, together with all other expenses incurred by Landlord in regaining possession, including full reimbursement of any and all free rents or abated rents as well as all unamortized, excluding any term associated with free or abated rent, leasing commissions and tenant improvement costs which were incurred by Landlord in connection with this Lease; it being understood that Landlord shall have no obligations to mitigate Tenant's damages by reletting the Premises. Should Landlord relet the Premises, Tenant shall also pay Landlord, as liquidated damages for the failure of Tenant to honor its obligations under this Lease, for each month of the period which would otherwise have constituted the balance of the Lease term, any deficiency between (i) the sum of the monthly installment of Minimum Rent and Additional Rent and other charges which would have been due under this Lease for such month and (ii) the net amount, if any, actually collected on account of the lease of the Premises for such month. In computing such liquidated damages, there shall be added to said deficiency such expenses as Landlord may incur in connection with any reletting, such as court costs, reasonable attorney's fees and disbursements, brokerage fees and expenses for preparing the Premises for reletting. Any such liquidated damages shall be paid in monthly installments by Tenant on the 1st day of each month, and any suit brought to collect the amount of deficiency for any month shall not prejudice the rights of Landlord to pursue similar proceedings regarding subsequent months.

If this Lease is terminated by Landlord as a result of the occurrence of an event of default, Landlord may declare to be due and payable immediately, the present value (calculated with a discount factor of eight percent [8%] per annum) of the difference between (i) the entire amount of Rent and other charges and assessments which in Landlord's reasonable determination would become due and payable during the remainder of the Lease Term determined as though this Lease had not been terminated, and (ii) the then fair market rental value of the Premises for the remainder of the Lease Term. Upon the acceleration of such amounts, Tenant agrees to pay the same at once, together with all Rent and other charges and assessments theretofore due, at Landlord's address as provided herein, it being agreed that such payment shall not constitute a penalty or forfeiture but shall constitute liquidated damages for Tenant's failure to comply with the terms and provisions of this Lease (Landlord and Tenant agreeing that Landlord's actual damages in such event are impossible to ascertain and that the amount set forth above is a reasonable estimate thereof).

8.2 **Rights and Remedies:** The various rights and remedies herein granted to Landlord shall be cumulative and in addition to any other rights or remedies which Landlord may be entitled to at law or in equity. The exercise of one or more rights or remedies of Landlord shall not impair Landlord's right to exercise any other right or remedy. In all events, Landlord shall have the right, upon notice to Tenant, to cure any breach by Tenant, at Tenant's sole cost and expense, and Tenant shall reimburse Landlord for such costs and expenses plus fifteen (15%) percent as overhead, immediately upon demand.

ARTICLE IX
ASSIGNMENT AND SUBLETTING

9.1 **Assignment and Subletting:** Tenant shall not, either voluntarily or by operation of law, sell, assign, hypothecate or otherwise transfer this Lease, or sublet the Premises or any part thereof (all of the foregoing collectively referred to as a "Transfer"), without the express prior written consent of Landlord. Tenant shall not be released from, and shall remain principally and primarily liable for, the full and prompt performance of each of the terms and provisions of this Lease following any Transfer. The acceptance by Landlord of Rent following any Transfer shall not be deemed to be a consent by Landlord to any such Transfer, nor shall such acceptance of Rent be deemed a waiver of any right or remedy of Landlord hereunder.

9.2 **Exclusivity:** During the Lease Term, and any extensions thereof, the Landlord shall not lease to any other tenant any unit in the shopping center to engage in any business engaging in a Sports bar or Night Club.

ARTICLE XI

- 11.1 **Attorney's Fees:** If any Rent, Additional Rent, Additional Charges or other charges owing under this Lease are collected by or through an attorney at law, whether or not litigation is actually instigated, the Landlord shall be entitled to recover reasonable attorneys' fees in the amount of 15.00% of such sums due, as well as the other costs of such proceedings.
- 11.2 **Late Charges:** All Rent, Additional Rent, Additional Charges or other charges owing under this Lease and which are not paid 10 days after its due shall bear a fee of \$150.00 for processing of late payments. - 11.3 **Accord and Satisfaction:** No payment by Tenant or receipt by Landlord of a lesser amount than the charges herein stipulated shall be deemed to be other than on account of the earliest stipulated charges, nor shall any endorsement or statement on any check or letter accompanying any check or payment be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of any amounts due hereunder or to pursue any other remedy provided herein.
- 11.4 **Time of Essence:** TIME IS OF THE ESSENCE OF THIS LEASE.
- 11.5 **Holding Over:** If Tenant holds over at the end of the Lease Term without the written consent of Landlord, Tenant shall be deemed a tenant-at-sufferance and Tenant shall pay to Landlord, during each month of such holdover period, as liquidated damages, a sum equal to double the highest amount of Rent paid by Tenant to Landlord during any month of the Lease Term; provided, however, acceptance of Rent by Landlord shall not be interpreted as a grant of permission for Tenant to continue in possession of the Premises.
- 11.6 **Severability:** In the event any provision of this Lease to any extent shall be deemed invalid or unenforceable, the remainder of this Lease shall not be affected thereby, and the Lease and the remaining provisions thereof shall be valid and enforceable to the full extent permitted by law.
- 11.7 **Brokers:** Tenant indemnifies Landlord, and Landlord indemnifies Tenant, against any claims for brokerage commissions in connection herewith, except for the brokerage commission payable to Schair & Associates, Inc. (the "Broker"). Tenant hereby acknowledges that Schair & Associates, Inc. has served solely as agent for Landlord in connection with this Lease and its commission shall be paid by Landlord in accordance with a separate agreement. Landlord hereby acknowledges that N/A has served solely as agent for Tenant in connection with this Lease and its commissions shall be paid by Landlord in accordance with a separate agreement.
- 11.8 **Waiver:** No waiver by Landlord of any provision of this Lease shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by Tenant of the same provision. Landlord's consent to, or approval of, any act by Tenant shall not be deemed to render unnecessary the obtaining of Landlord's consent to, or approval of, any subsequent act. No agreement by Landlord to accept Tenant's surrender of the Premises shall be valid unless in writing from Landlord.
- 11.9 **Right of Entry:** Landlord shall have free access to the Premises at all reasonable times to inspect the Premises and to make such repairs, additions, improvements, changes, or alterations, the Shopping Center, as Landlord may elect. Landlord may also place "For Lease" or "For Sale" signs on the Premises forty-five (45) days before the termination of this Lease. Landlord or its agents or designees, during the Term of this Lease, or any renewal thereof, may enter the Premises at reasonable hours to exhibit same to prospective purchasers or Tenants, or for any other reasonable purpose.
- 11.10 **Successors and Assigns:** Except as otherwise provided herein, this Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, executors, successors and assigns.
- 11.11 **Headings, Captions and References:** The Article and Section captions contained in this Lease are for convenience only and do not in any way limit or amplify any terms or provisions hereof. The use of the terms "hereof," "hereunder" and "herein" shall refer to this Lease as a whole, except where noted otherwise.
- 11.12 **Survival of Obligations:** The provisions of this Lease with respect to any obligation of Tenant, including, without limitation, any indemnities of Tenant contained in this Lease, and Tenant's covenant to pay Rent, shall specifically survive the expiration or earlier termination of this Lease.
